# **Justin Kim**

# Coquitlam, BC | 604-655-5492 | skim654@my.bcit.ca

#### **About Me**

An aspiring IT technician at BCIT with direct experience in working with SDLC methodologies, technical documentation, and analytical problem solving. My experience in working with teams and technical bug fixing has taught me the importance of methodically analyzing and deconstructing problems before resolving them. I am seeking to leverage my skills to contribute to the continuous improvement of technical tools development.

## **Technical Skills**

- Python

JavaScript

GitHub

- Node.js

- Power BI

- Windows / Linux

- SQL

- VS Code

HTML

Excel

## **Academic Projects**
